

Corporate Profile

Medical Properties Trust, Inc. bridges the gap between the growing demand for high-quality healthcare and the ability to deliver it cost-effectively. Specializing in acute-care, community and rehabilitation hospitals, this healthcare real estate investment trust (REIT) provides operators access to capital for facility improvements, technology upgrades, staff additions and new construction through long-term net leases of real estate assets. By reinvesting non-earning assets into operations, MPT clients are able to participate in the growth of the largest sector of the U.S. economy.
