

Financial Tear Sheet

Corporate Profile

Founded in 2005, Noah Holdings Limited (NYSE: NOAH) is a leading wealth and asset management service provider in China with a focus on global investment and asset allocation services for high net worth individuals and enterprises. In the first nine months of 2017, Noah distributed RMB89.2 billion (US\$13.4 billion) of financial products. Through its wholly-owned subsidiary, Gopher Asset Management, Noah had assets under management of RMB142.9 billion (US\$21.5 billion) as of September 30, 2017.

Noah's wealth management business primarily distributes onshore and offshore fixed income products, private equity products, secondary market products and insurance products. Noah delivers customized financial solutions to clients through a network of 1,286 relationship managers across 222 branches and sub-branches in 78 cities in China, and serves the international investment needs of its clients through wholly owned subsidiaries in Hong Kong, Taiwan and the United States. The Company's wealth management business had 175,979 registered clients as of September 30, 2017. As a leading alternative asset manager in China, Gopher Asset Management manages private equity, real estate, secondary market, credit and other investments denominated in both Renminbi and foreign currencies. The Company also provides Internet financial services, including online wealth management, micro-lending and payment processing services, etc. For more information, please visit Noah at ir.noahwm.com.
