### Corporate Profile

McCormick & Company, Incorporated is a global leader in flavor. With \$4.8 billion in annual sales, the company manufactures, markets and distributes spices, seasoning mixes, condiments and other flavorful products to the entire food industry – retail outlets, food manufacturers and foodservice businesses. Every day, no matter where or what you eat, you can enjoy food flavored by McCormick. McCormick Brings the Joy of Flavor to Life™.

We operate in two business segments, consumer and flavor solutions. Demand for flavor is growing globally, and across both segments we have the customer base and product breadth to participate in all types of eating occasions. Our products deliver flavor when cooking at home, dining out, purchasing a quick service meal or enjoying a snack. We offer our customers and consumers a range of products from premium to value-priced.

From locations around the world, our brands reach consumers in approximately 150 countries and territories. McCormick is also the leading supplier of private label items, also known as store brands. Consumer segment sales are driven by product innovation, effective marketing, expanded distribution and acquisitions. In our flavor solutions business, we provide a wide range of products to multinational food manufacturers and foodservice customers. Our range of products remains one of the broadest in the industry and includes seasoning blends, spices and herbs, condiments, coating systems and compound flavors. In addition to a broad range of products, we strive to achieve customer intimacy. Our customers benefit from our
