The View from Our Corner of the Street

September 21, 2018

Greetings!

We made it...to the Forbes Top 100 Digital Companies! We are happy to report that AMD is listed on the inaugural ranking of the top publicly-traded IT, hardware, media, digital retail and telecommunication companies shaping the digital world. Companies were scored on a variety of factors including sales, profits, asset growth, and performance of the stock over the past year. The list was compiled from the technology, media, digital retail and telecommunication companies that made it onto the [2018 Global 2000](#), Forbes' annual ranking of the biggest companies in the world.

Things continue to be exciting at AMD, and we're shaking and moving! Thank you for your support of AMD on our journey.
