Corporate Profile

American States Water Company is the parent of Golden State Water Company and American States Utility Services, Inc. Through its utility subsidiary, Golden State Water Company, AWR provides water service to approximately 259,000 customers located throughout 10 counties in Northern, Coastal and Southern California. The company also distributes electricity to approximately 24,000 customers in the City of Big Bear and surrounding areas in San Bernardino County, California. Through its contracted services subsidiary, American States Utility Services, Inc., the company provides operations, maintenance and construction management services for water and wastewater systems located on military bases throughout the country under 50-year privatization contracts with the U.S. government.

American States Water Company has paid dividends to shareholders every year since 1931, increasing the dividends received by shareholders each calendar year for 62 consecutive years, which places it in an exclusive group of companies on the New York Stock Exchange that have achieved that result.
