

Financial Tear Sheet

Corporate Profile

American States Water Company is the parent of Golden State Water Company and American States Utility Services, Inc. Through its utility subsidiary, Golden State Water Company, AWR provides water service to approximately 261,000 customers located within 75 communities throughout 10 counties in Northern, Coastal and Southern California. The Company also distributes electricity to approximately 24,000 electric customers in the City of Big Bear and surrounding areas in San Bernardino County, California. Through its contracted services subsidiary, American States Utility Services, Inc., the Company provides operations, maintenance and construction management services for water and wastewater systems located on military bases throughout the country through 50-year privatization contracts with the U.S. government.

AWR has a long history of returning value to shareholders and since 1931 has paid dividends to shareholders every year, increasing the dividends received by shareholders each calendar year for sixty consecutive years.
