Evergy, Inc.

Evergy is committed to delivering clean, safe, reliable sources of energy today and well into the future. So we're embracing alternative energy sources to generate more power with less impact to our environment, and adopting new technologies that let our customers manage their energy use in ways that work for them. Whether it's new ways to connect with us, electric vehicle charging stations, or the next innovation around the corner, we're dedicated to empowering a better future.

[Energy that moves us forward.](#)

Evergy, Inc. (NYSE: EVRG), through its operating subsidiaries, Kansas City Power & Light Company (KCP&L) and Westar Energy, Inc, provides clean, safe and reliable energy to 1.6 million customers in Kansas and Missouri. By combining KCP&L and Westar Energy, Inc., in 2018, a leading energy company was created that provides value to shareholders and a stronger company for customers.
