

IENOVA ANNOUNCES THE CLOSING OF THE ACQUISITION OF PEMEX TRI'S PARTICIPATION IN "GASODUCTOS DE CHIHUAHUA"

Mexico City, September 27, 2016 – Infraestructura Energética Nova, S.A.B. de C.V., "**IEnova**", following up on its September 15, 2016 announcement that the Antitrust Commission (*Comisión Federal de Competencia Económica*) authorized its acquisition of 50% of the capital stock of Gasoductos de Chihuahua, S. de R.L. de C.V. owned by Pemex Transformación Industrial, informs that today it closed said transaction. The final price of the transaction was \$US 1,143.8 million.

As previously reported, IEnova's shareholding in Gasoductos de Chihuahua changes from 50% to 100%, and Pemex will continue holding 50% of the Ramones II Norte project through Ductos y Energéticos del Norte, S. de R.L. de C.V.

This transaction is aligned with IEnova's commitment to the development of infrastructure in the country.
