

**CARLOS RUIZ SACRISTÁN, CHAIRMAN OF THE BOARD OF IENOVA, AND
CFE GENERAL DIRECTOR, MANUEL BARTLETT DÍAZ, MET TO DISCUSS
PIPELINE SITUATION**

Mexico City, February 14, 2019.- Infraestructura Energética Nova (“**IEnova**”) informs that yesterday, Carlos Ruiz Sacristán, Chairman of the Board of IEnova, met with Manuel Bartlett Díaz, General Director of Comisión Federal de Electricidad (“**CFE**”).

During the meeting they discussed issues related to the commercial relation between both companies and the natural gas transportation contracts awarded per public and international tender processes. In addition, they discussed the situation of one pipeline that is currently out of service due to certain social issues.

The meeting was respectful and cordial. Both directors agreed to hold subsequent meetings to reach a coordinated solution for the benefit of Mexico.
