

## **Players Win \$1,153,736.49 and \$741,017.55 on Aristocrat's Buffalo Grand™ Slot Game**

LAS VEGAS (June 30, 2016) – Players are not just hitting it big; they're hitting it "grand" on Aristocrat's [Buffalo Grand™](#) slot game. First, a lucky player at [Sunset Station Hotel Casino](#) in Henderson, Nev. hit the game's top progressive jackpot for \$1,153,736.49.

Then just two weeks later, another lucky player won \$741,017.55 playing Buffalo Grand at [Chukchansi Gold Resort & Casino](#). That win came just seven days after the game was installed at Chukchansi Casino.

Russell J. from northern California is a frequent visitor to Chukchansi Casino, and when he saw the new Buffalo Grand games, he decided to give them a try. Little did he know his \$100 investment would result in such a grand jackpot. Russell is retired and plans on putting the jackpot money in the bank.

Buffalo Grand is part of Aristocrat's incredibly successful and popular Buffalo™ franchise and is larger than life in the award-winning Arc Double™ cabinet. While staying true to the fun of the original Buffalo game, Buffalo Grand also gives players opportunities to win jackpots, jackpot multipliers and up to 50 free games.
