

## **IENOVA ANNOUNCES THE EXECUTION OF A LONG TERM ELECTRICITY SUPPLY AGREEMENT WITH COMPAÑÍA MINERA AUTLÁN, S.A.B. DE C.V.**

Mexico City, December 17, 2018 – Infraestructura Energética Nova, S.A.B. de C.V., (“**IEnova**”), announces that today it executed a 15- year electricity supply contract with Compañía Minera Autlán, S.A.B. de C.V., (“**Autlán**”). The electricity will be generated through its portfolio of solar generation projects. Through this agreement, both companies reaffirm their commitment to the protection of the environment by producing and consuming clean energy.

IEnova will continue its strategy to contract and deliver electricity to other large consumers through its portfolio of solar projects, including projects already announced and/or others being developed.

This initiative is aligned with IEnova’s firm commitment to the development of energy infrastructure in the country and strengthens its leadership position in the production of clean energy in Mexico.
